

## ***BK II Barracudas 2024***

It's almost Summer Swim season! Registration for our residents of Brookstone II will be held at our clubhouse between the hours of 2-4pm Sunday March 17th. We will have registration forms to fill out and will also be emailing them to the community with the cost to sign up.

Summer Swim team is a wonderful activity for ages 4- 18. Your child does not need to know proper strokes to participate. They will learn and grow so much, and all skill levels are welcome. We will have practice only options or if they are able to swim across the pool safely as decided by our head coach, we have swim meet participation options.

The Swim schedule is Monday – Friday mornings with a meet day one evening per week and a Fun Friday option with games. This all occurs before our pool opens for the residents in the month of June. Parent Participation for swim meets is vital for a successful swim season. We have a lot of fun and hope to see you and your children participate this season!
